

### **Public Notice**

The New Jersey Forest Fire Service has scheduled a meeting on Wednesday, April 30, 2008, 7:00 pm at the Warren Grove Firehouse, County Route 539, Stafford Township, New Jersey. The public is invited.

The agenda for the meeting is as follows:

To notify local residents of the Forest Fire Service's efforts to mitigate the accumulation of hazardous wildland fuels on the Stafford Forge Wildlife Management Area that pose a risk to the lives and property of surrounding communities through the use of mechanical thinning and prescribed burning. Specifically, the Hay Road project located in Stafford Township has received a NJ Pinelands permit for a linear thinning of the forest along the roadway to act as a fuel break

Furthermore, information on efforts homeowners can take to protect their own homes and make them Firewise will be provided.
